## Kids Science Camp 2020

Educational programs and facilities are offered year-round to the general public of all ages, ethnic backgrounds and socioeconomic levels. During Science Camp week, we focus our programs on youth. Our Kids Science Camp encompasses all of our regular educational programs including a Bat Tour, Geology Tour, Astronomy Tour, Hydroelectric Tour and an Everson Ranch Tour. Additional workshops in animal husbandry, raptors, aquatic entomology & plant ecology along with campfires, s'mores and a barbecue at the Ranch are offered!

Our goals are to create awareness of environmental issues, resource sustainability, land and habitat conservation. Our program provides the opportunity to experience this unique environment, to expand knowledge of the natural world and to instill a sense of stewardship and personal responsibility.

# SCIENCE CAMP! JULY 26 TO 30 2020

**Science Camp 2020**  
**July 26—30**  
**For kids ages 6—11**

Science Camp has openings for 30 kids! It's a popular program and we have more requests than spots. We will do a lottery to fill registration, remaining applicants will go on a wait list.

***Please follow these instructions:***

- ***Fill out registration form***
- ***Put siblings on one form***
- ***Return form before March 14***
